### A Commitment to safe communities.

There are several ways in which the Archdiocesan Safeguarding Children and Vulnerable Adults Policy aims to ensure that its parish communities are safe places for all, especially our children and the vulnerable.

#### 1. Safeguarding Training

All volunteers are required to complete the initial safeguarding training session. You may not have direct contact with children or vulnerable adults, but you may witness something, or have someone disclose to you. As such, these sessions aim to support parishioners understanding of:

- The context incidents of abuse – Society & Church
- what is harm
- boundaries and boundary violations
- the key element to the Archdiocesan Safeguarding Policy
- how to respond to safeguarding issues in the parish

#### 2. Ongoing Monitoring – Internal and External Review

Internal reviews/audits will be conducted annually

Independent, External review of Parishes over a 5 year period commenced in 2016.

**Our parish will host the annual Propagation of the Faith appeal on the weekend of July 8/9.**

Choices have consequences. It's a simple fact of life. Today's gospel, from Matthew, sees Jesus point this out to His disciples when he reminds them that those who show their support for God will be embraced by Him and those who disown Him will, in turn, be disowned. In much the same way as bad choices can lead to negative consequences so too good choices can enhance both our lives and the lives of those we impact with our decisions. The choices we make about our support for missionaries like Sr Mary Goretti can significantly benefit the people of Uganda. On behalf of those whose lives will be touched, because of the choices you make, thank you; your generosity during the forthcoming appeal will have long and lasting consequences for so many, including mothers and their newborn babies.
