### Reversal of Fortunes

Jesus, surprisingly, found something appealing about this steward who was in the rapacious lending business. What was it? Faced with the news that he was about to lose his position, his catastrophic reversal of fortune, he cut a deal with his debtors to help secure his future. Jesus gave him full marks for being astute and shrewd.

Jesus laments the fact that many of his followers, 'children of the light,' are not as smart in the face of the Great Reversal – which He is inaugurating in which 'the hungry will be filled with good things and the rich sent empty away' (*Mary's Magnificat*).

We should be using our money ('mammon') to alleviate the myriad hungers of the world, not to buy our way into Heaven, but so that we become the sort of person who will be able to enjoy the heavenly companionship of those who hungered.

We could take a moment to pause and take stock of the use of our resources which are *passing*, so that we may be received into the *eternal* habitation.
