The Most Holy Body and Blood of Christ 18th June, 2017

The world is hungering for what only God can truly and completely satisfy.

We see that so many people are hungry for something:

In some instances people simply need the necessities of life: Food, clean water, medical support, shelter, education,peace...

Others hunger for much more... many people seem to be hungry for and chasing their desire for things they cannot have, or do not really need... or else.. they just hunger for what will not fully satisfy ...

....."Hungry hearts are all around us. Those mourning the loss of a loved one, those in need of a job, people desperate for wise-counsel, people unable to curb an addiction, or those who are angry and bitter, people who feel unforgiven or unforgiving, Those in poor health, or people worried about finances, or unhappy in a relationship, ... and people who are unsure of their commitments, or being too hard on themselves, ... and people who are afraid of the world around them,The list goes on and on.

These are the people Jesus offers to feed—not with a temporary fix (which is something many want)—but rather, Jesus offers an everlasting source of sustenance that can be found in the change of heart that happens each time we gather to share a meal in Jesus' name. Jesus offers us himself – as real food for our lifelong journey..... and he offers us his word and his vision of the Kingdom... his values for living that will truly and completely transform us and satisfy us.... He promises to be with us in the ups and downs of life and also that which cannot be fixed in this life will most certainly be fixed in the next life, by our faithful and loving God.

But it means a progressive changing of priorities, vision and values to match with his values... Fr Paul W. Kelly

Understanding Police Check Requirements within Parishes.

Volunteers engaging with Vulnerable Adults as part of their ministry are required by legislation to hold a current Police Certificate.

There are lots of questions around Police Check requirements, so we have tried to address a number of these here. If you have any additional questions about Police Checks as a volunteer, please contact the Archdiocesan Safeguarding Officer, Troy Tornabene-

tornabenet@bne.catholic.net.au or 3324 3752.

Due to the complexity, all new volunteer engagement is to be managed through the Parish Office and not through individual ministries. All forms are to be collected from the Parish Office.

Police Checks – Protection of Vulnerable Adults

- Checks volunteer's suitability to work with vulnerable adults.
- Under The Age Care Act (Police Certificate Guidelines 2014) volunteers engaged in Nursing Homes/Aged care facilities visits are required to hold a current Police Certificate.
- The Archdiocesan Safeguarding Children and Vulnerable Adults Policy apply the same requirements to those volunteers visiting vulnerable adults in their homes. This includes extraordinary ministers of Communion to the Sick, Care and Concern (if visiting homes), etc.
- **If you have been in your ministry for years and asked to complete a Police Check - Please don't take a request as a personal attack on your integrity – these changes apply as our compliance with various legislation and the Archdiocese risk controls for the protection of vulnerable adults.**
- Volunteers are to ONLY use Police Check forms provided by the Archdiocese.

Because there is one bread, we who are many are one body, for we all partake of the one bread. CORINTHIANS 10:17
As disciples of Jesus, we are called to lead holy lives and invite others to join us. Living a stewardship lifestyle, being grateful and generous with our gifts, serves a twofold purpose. One, it helps build God's kingdom here on earth. Two, it is a road map to Heaven. Let's help each other get there!

Pope Francis wants to know what young people from across the globe (aged 16-29) are thinking!

All Australian young people are invited to complete a Youth Survey that has been distributed by the Australian Catholic Bishops Conference (ACBC) before Sunday 2nd July 2017. By completing this survey, you could go in the draw to win one of three Dr Dre Solo 2.0 On-Ear Headphones!

A VOCATION VIEW - That we can collaborate with God is a humbling truth. That God lives among us is startling. That we are the Body of Christ is our vocation.

Time for a Smile—

Two boys were walking home from church after hearing a strong preaching on the devil. One said to the other, "What do you think about all this Satan stuff?" The other boy replied, "Well, you know how Santa Claus turned out. It's probably just your dad"
