## FOURTH SUNDAY IN ORDINARY TIME

28th/29th January, 2017

**This weekend's celebrants are Fr Peter Gillam (5.00pm, 7.00am & 9.30am) and Fr Thomas Manimalayil (8.15am Riverview)**

The business belonging to one of my brothers was one of the first to fail in the long drought that Australia experienced some years ago. Having lost everything he, with his wife and large family, had to travel up and down the east coast of Australia with his work. They learnt to budget extremely well but even with that, one Saturday in a caravan park near Coffs Harbour they reached rock bottom. Standing outside their van, they saw, down the lane, a ute pull out, its owner leaving. His vehicle paused where they were standing and the guy said: 'Here, I won this at the chook raffle last night.' Reaching back into the cabin he pulled out a magnificent meat tray and a good bottle of red. Then he drove off. They didn't know his name, he had never spoken to them before. That evening, while watching the sunset over Coffs Beach and enjoying the barbecued rump and wine, they both agreed that they were glad they had gone bankrupt. Since then many other things have happened to make them glad they had experienced such a serious financial disaster. Travelling around, they have had their experience of Church widened and enriched, their children developed awesome social skills and they have experienced the kindness of the poor and marginalised just as they have had the opportunity to show kindness to the same people. What had seemed like a disaster became an opportunity for grace.

Most of us reading this have experienced events like this in our lives. Something has happened to us which initially seemed terrible...and often it remains terrible. But as we have embraced the reality of the situation and made some room for God to move within it, a moment has come when our understanding is transformed and we can recognise that the situation has also been a Beatitude, a blessing for us. This is not just acceptance, or reconciling ourselves to the reality of the situation, but rather we see how God works creatively for our good. It is a mystical way of seeing how God writes straight on the crooked lines of our life. Why do I say that most of us have experienced this? Simply because this way of seeing, this mystical vision, is integral to being a Christian. It is our gift as children of God.

**"Blessed are the poor in spirit, for theirs is the kingdom of heaven."** Matthew 5:3

This one confuses people. Replace the word "humble" for "poor" and it makes more sense. People who are humble recognize their dependence on God and trust that He will provide all that they need. Unfortunately, for many of us, pride and ego enters our lives and we think we can live without God. Remember - God first in all circumstances.

### **Time for a Smile - The Golden Phones**

It seems a man in Topeka, Kansas, decided to write a book about churches around the country. He started by flying to San Francisco, and started working east from there. He went to a very large church and began taking photographs, etc.

He spots a golden telephone on a wall and is intrigued with a sign which reads "\$10,000 a minute."

Seeking out the pastor he asks about the phone and the sign. The pastor answers that this golden phone is, in fact, a direct line to Heaven and if he pays the price he can talk directly to God.

He thanks the pastor and continues on his way. As he continues to visit churches in Seattle, Boise, Minneapolis, Chicago, Milwaukee, New York, Atlanta, and on around the United States, he finds more phones, with the same sign, and the same answer from each pastor.

Finally, he arrives in Texas. Upon entering a church in Dallas, lo and behold, he sees the usual golden telephone. But THIS time, the sign reads "Calls: 25 cents."

Fascinated, he requests to talk to the pastor.

"Reverend, I have been in cities all across the country and in each church I found this golden telephone, and have been told it is a direct line to Heaven and that I could talk to God, but, in the other churches the cost was \$10,000 a minute. Your sign reads 25 cents a call. Why?"

The pastor, smiling benignly, replies, "Oh, my son, that's very easy to explain. You see, you're now in Texas and, of course, it's a local call from here."
